Join us on Saturday, July 31, 2010 from 9:00 to 11:00 am at the Poor House Farm Kester Pavilion for an introduction into the world of Geocaching. There will be a short introduction about Geocaching and then we will divide into small groups and begin searching for different types of Geocaches. All groups will be led by a guide with a GPS. This event is free for anyone interested and will be enjoyed by people from 8 to 80. Children must be accompanied by an adult. Local Geocachers will be hosting this event and will act as your "tour" guides for this exciting outdoor adventure. For more information please contact Tim or Marsha Eggleston at tim.eggleston@verizon.net.

Geocaching is a high-tech treasure hunting game played throughout the world by adventure seekers equipped with GPS devices. The basic idea is to locate hidden containers, called Geocaches, outdoors and then share your experiences online. Geocaching is enjoyed by people of all ages, who have a strong sense of community and support for the environment.
