All activities are designed as preparation for the regular karate program. Benefits of preschool karate include flexibility, coordination and development of motor skills. The camp will teach basic karate skills and familiarity with karate traditions, self-esteem, and confidence while developing cooperation and listening skills. Campers will learn respect, discipline, and self-control. Registration is open to children ages 4-5. Registration is on a first come, first served basis, and space is limited to the first 25 participants. Please dress your child in comfortable, loose fitting clothing. Parents are welcome to help.
